Garbage Franchise Keeps on Sizzling For Sewer Board

Franchising of garbage collection apparently continued to sizzle as a "hot" issue this week with the Board of Directors of the Central Contra Costa Sanitary District.

The board met in closed session Wednesday night at the district office at 1822 Mt. Diablo Boulevard, Walnut Creek, for the purpose of informal discussion of possible methods of raising additional money for district operations.

One of the methods prominently mentioned in recent weeks has been garbage collection franchising.

At the April 3 regular monthly meeting, Director William Malott suggested that an informal conference be held Wednesday night to discuss money - raising problems. This was agreed to.

FOLLOWING THIS closed meeting, indications were that the garbage-franchise issue will come up at the May 1 regular session.

"No action was taken on any new financing methods," Malott said late Wednesday night. "It was a discussion meeting."

CONSIDERATION OF franchising by the district was first suggested by Director R. E. Wadsworth several weeks ago. Under the State Health and Safety Code, the district has authority to franchise garbage collections.

Malott and Chairman Elliott Johnson have expressed themselves as being against such a plan, while Directors Wadsworth and Harold Toland have pointed out that it would be a means of bringing needed funds to the district. Secretary H. M. Smitten has refused to comment.

IT HAS BEEN STATED by some proponents that the same collection rates as now in effect would be charged customers, that Sanitary District control would ensure proper sanitation and that franchising would avert necessity for additional taxation through a bond issue. Present tax levy is 40 cents, with all "running expenses" being spent on rehabilitation, they say.

Also, it has been rumored that area garbagemen are willing to pay, under a franchise setup, for exclusive rights in various territories.

But opponents declare that garbage collection is being satisfactorily handled now and that it is not the proper concern of the Sanitary District.

Sheriff's Office Can Ticket Those Parking Violators

The ball was passed back to the sheriff's office this week to enforce the parking ordinances in the business areas of Orinda.

A short while ago Sheriff James N. Long told the Orinda Chamber of Commerce that he lacked the authority to hand out tickets to parking violators.

The problem was taken up with George Berry, assistant road commissioner. Berry informed the chamber that the sheriff's office has always had the power to enforce the parking ordinances.

Chamber Officers To Be Elected at Thursday's Meet

Election of officers will be held at Thursday's meeting of Orinda Chamber of Commerce at noon at the Casa Orinda. All chamber members are urged to attend.

On the nominating committee are Bill Worden and John Stoffel.

At the April 3 meeting of the chamber, members voted to pay the Boy Scouts $50 for painting the bus shelter at the Crossroads and another $50 for future services by the scouts.

A resolution was passed that because of the small amount of chamber dues, the chamber will not contribute to other organiations or drives and will not sponsor the collection of funds in the business area.

PRESIDENT Ramsay Underwood said:

"Our dues are very small and we simply haven't the money to contribute to the various drives and organizations that ask for money. We would like to donate to everything. We are just about able to pay for our own chamber expenses from the sources we get.

"However, we know that the Orinda businessman will be as generous as he always has been in working for the benefit of the community."

The chamber has received another estimate on the construction of a sidewalk between the Vashell and Dyke buildings, continuing to Black's Market. This estimate was $164. The estimates will be presented to the landowners, and their cooperation in building the sidewalk will be asked.

Committee Learns Crossroad Plans; To Map Traffic

Orinda Crossroads area traffic control and turnaround problems were considered nearer solution this week by the join Orinda Association-Orinda Chamber of Commerce road committee, following its conference with District Engineer L. A. Weymouth of the State Division of Highways.

The committee conferred for an hour with Weymouth at his office in San Francisco last Friday. Present were all three committee members — Chairman Everett Howe and Nathan Gray, both representing the Orinda Association, and Ramsay Underwood, chamber president.

Weymouth reported that Freeway plans for the Crossroads were nearing completion and were expected to be submitted to the Contra Costa County Board of Supervisors in the next several weeks. As previously announced by him, Weymouth stated that the Crossroads project would affect the northerly side of the state highway, not the southerly side.

An overpass with a modified clover-leaf approach, including grade crossing separations, it what's in store for the Crossroads area.

Assistant District Engineer Albert E. Simmons was also present at the conference.

"Now that we know more definitely what the state is planning for the Crossroads, our committee can go ahead and plan for solution of traffic flow and turnaround problems, particularly in the section just south of the Crossroads," Underwood said this week.

TEMPORARY VICAR at St. Stephen's Episcopal Church in Orinda is Dr. Charles Francis Whiston, well-known clergyman named to the post by Bishop Karl Morgan Block. On Easter Sunday he will be preaching elsewhere but he will be back on April 20.

Commuters Deny Interest in Taking Over Greyhonnd

Rumors that the Contra Costa Commuters Association is considering acquisition of the Greyhound commuter bus lines in this area were flatly denied this week by spokesmen for the association.

"We are not interested in stirring up any more of a headache than we already have," stated John E. McKirahan of Lafayette, chairman of the service committee.

"We believe that we have met the problem for the present by our private ride pool groups. We have every assurance of continuing to do business with Greyhound when this strike is over, and we will continue our efforts for adequate service when the buses start rolling again, whenever that may be.

"OUR DISCUSSIONS with Greyhound immediately preceding the strike gave promise of substantial improvements in service to this area. We expect to pick up where we left off just as soon as the strike is over."

McKirahan's statement was in contrast to the widely publicized action of the Marin County commuters group, which, through the Marin County Board of Supervisors, has proposed to take over the Greyhound commuter operation between Marin County and San Francisco.

The Contra Costa Commuters Association held its regular monthly meeting Tuesday night at Acalanes High School. Reports and expressions of opinion on the strike highlighted the discussion.

PLANS WERE MADE to erect signs at prominent pick-up points along the main highway .These signs will indicate "Rides Wanted to San Francisco and Oakland," and they will be placed in such a position that a hopeful commuter may stand on either side of the sign and indicate his destination, counting on the generally known willingness of those now driving to help out a fellow-commuter in distress.

It is anticipated that drivers will stop and inquire if any commuter standing at these points would like a ride. These signs will be erected within the next week at selected locations on the highway from Concord to Orinda.

Similar signs will be installed in Oakland near 40th and Broadway, and toward the end of the "E" train line on Claremont Avenue. Negotiations are being conducted to erect a sign in San Francisco near the commuter loading corner at Essex and Folsom Streets. These signs will indicate that people standing nearby need rides to Orinda, Lafayette, Walnut Creek, Concord and way points.

Association officials are counting heavily on the neighborliness of members and others who drive, to contribute their efforts when the signs are installed.

PERMISSION TO POST the signs at Contra Costa County locations is being sought through the cooperation of Supervisors H. L. "Jack" Cummings and Ray S. Taylor, who have assured the association of their desire to help the commuters in their present plight.

In the absence of President Arthur Bowman of Orinda, Tuesday's meeting was conducted by Vice-President Virgil Sloane of Walnut Creek. Resignation of Director Joseph Nicolet of Orinda was announced and accepted with regret. Nicolet sent word that the press of private business would not permit his continuance, but assured the board that he would continue his efforts on improvement of the Orinda Crossroads bus-waiting shelter, having been a leader in construction of that project.

A replacement director will be selected by the board at the next regular meeting on May 13.

MEMBERS AT Tuesday's meeting said they had been concerned by previous lack of knowledge of efforts by the association in the strike situation, but that they were reassured by learning of the great amount of work carried on by the board. Also, they expressed gratitude for the efforts of the SUN to help solve the commuters' problems.

Negotiations are still being carried on at daily meetings in San Francisco between the AFL drivers' union and Pacific Greyhound through the efforts of Federal Conciliator Omar Hoskins. Main obstacle, apparently, is the issue of the five-day week, but the fact that meetings are continuing is a hopeful sign, according to the commuter group.

Girl Scout Board Votes to Keep Joint Fund Drive

Agreement that the Boy Scout and Girl Scout organizations continue to conduct a joint annual finance drive was expressed by the board of the Diablo Valley Area Girl Scout Council March 26.

After hearing a report from the council finance committee and a letter from J. Morris Browning, Meridian Boy Scout District finance chairman, the Girl Scout council board voted to have a joint campaign, as heretofore, with the Boy Scouts.

IN ADDITION, according to Mrs. Michael Rosemont, council publicity chairman, "some suggestions were developed regarding the campaign, to offer the Boy Scout organization and the campaign committee."

HOWEVER, any further inter-organization planning on the finance drive was put off until the return of Mrs. George N. Jensen, council president, from Chicago around April 15. Mr. and Mrs. Jensen left Lafayette March 27 for the East. Mrs. Jensen planned to visit her mother in Chicago, while Jensen planned to go on to New York on business. They expect to be back the middle of this month.

The council board action followed a meeting of the council finance committee March 20.

Trips, Baseball, Crafts Occupy Pack 212 Dens

Boys of Cub Pack 212 have been busy with many activities.

Baseball practice is held at 2 p.m. every Saturday in the Orinda School yard.

Den 1 has been working on handicrafts. Recently, along with their den dads and friends from Den 8, the boys visited the Southern Pacific yard and round house at the Oakland Mole.

Under guidance of Den Mothers Mrs. Bruce Howard and Mrs. Charles L. Smith, Den 4 had an interesting month, including a visit to the toll plaza at the Bay Bridge, where the boys were shown some counterfeit money and allowed to shoot pistols carried by the guards. They also visited Hamilton Field Air Base where each boy rode in a Link Trainer, ate in the officers' mess and watched jets take off and land. While there, they saw a B-29 come in with only three of its motors working. Crash boats and fire equipment dashed about to be on hand in case of emergency.

Den 7 cubs spend several meetings refinishing and decorating a maple chest which they filled with large hand-colored blocks. This is to be sent to Weimar Sanitarium for the children there. The boys also made an attractive Den Doodle showing the achievements of each cub.

Den 8 cubs worked on handicrafts during March. They also visited Bob Nordquist's Taxidermy Studio and the Orinda Fire Station.

Den 12 boys have been active in the Saturday baseball practice and took a trip to Radio Station KRE, where they made a record. As part of their regular den activities these boys have all attended the Berkeley symphony concerts.

Pack 212 Hears Of Scout Program

Regular meeting of Cub Pack 212 was held at the Scout Hut last Friday night with Den 12 conducting the opening flag ceremony. It was decided to hold the next meeting on May 9, so as not to conflict with "Absurdia in Suburbia." Den mothers' meeting will be held May 5.

Assistant Scoutmaster Noller of Troop 200 was present with Scouts John Hall and Bob Johnson to tell of the scouting program and invite the cubs who will be receiving their Webelos to attend the scout outing on April 26.

Program project for the evening was a demonstration by Den 7 on the making of paper drinking cups. A record made by the cubs of Den 12 during their visit to Radio Station KRE was played, to the embarrassment of a few and the delight of everyone.

Chuck Dunlap was introduced to the pack, and Roger Wright was admitted as a new member of Den 1.

Achievement awards were made to Stephen C. Smith, Barry Howard, Tom Kirby, Laurie Chapple, Gary Swedberg, Carl Ogden, Peter Yedidia, Stephen C. Wood, Tom Dexter and John C. Coates.

Den awards were: Inspection, first place, Den 4, honorable mention, Den 7; attendance, first place, Den 7, honorable mention, Den 12; antless pants, first place, Den 7, honorable mention, Den 1.

Phone Picketing Continues: Talks Center on Wages

Fourth day of the telephone strike found unionists continuing their steady picketing of the Pacific Telephone and Telegraph Company business office on Locust Street in Walnut Creek.

Yesterday morning there were no pickets at either the Lafayette or the Orinda dial equipment station.

At the same time, picketing was continued against East Bay and San Francisco offices.

The Walnut Creek office serves the Walnut Creek-Lafayette area, while the Orinda exchange is under the Oakland setup.

Normal operation of local dial service was reported, and supervisory employees were putting through all other calls wherever possible. All emergency calls were being put through, the company said.

CIO COMMUNICATIONS Workers of America are striking against Pacific Telephone in five states. Simultaneously, a strike is being waged in 43 states against Western Electric Company. Western Electric workers, during normal operations, install equipment in phone company offices.

During the week, sporadic picketing took place at two other Locust Street offices of the company in Walnut Creek and at the company garage on the outskirts of town.

As negotiations continued in San Francisco and Detroit, Howard C. Greenhalgh, Walnut Creek area manager, said:

"IT'S MY PERSONAL feeling that a public utility, such as the telephone company, should be able to give uninterruptetd vital service."

Greenhalgh said all the phones in this area are dial-operated, and that normal operation of dial service was in effect. He explained that occasional delays or "quirks" in dial service were probably due to the fact that the service is loaded to capacity with calls.

A COMPANY STATEMENT said strike settlement was snagged by the union demand for a 38-cent hourly wage increase — 23 cents plus "fringe" benefits. The company has offered a 9.8-cent hourly wage increase.

Company spokesmen said the company rejected a union proposal to take the matter before the Wage Stabilization Board. The P. T. & T. declared that an outside agency was not capable of handling the complicated problems involved.

As elsewhere, employees reporting for work in Walnut Creek were placed at regular work only if they agreed to work continuously, even when picket lines were established. Those who would not so agree were put to work only on a day-to-day basis, if work is available.

Greenhalgh said: "With some employees leaving their jobs or not working when picket lines are formed in front of their work locations for limited periods, the management of the the company is faced with a serious problem of scheduling employees.

"In doing our best to maintain service, we are assigning those people who want to work and are willing to continue working without interruption are being assigned to work on a day-to-day basis, but only if there is work available."

Hearing April 15 On Santa Maria Permit Request

Consideration of an application for a permit to construct a new Catholic church, school and other facilities in Orinda is set by the Contra Costa County Planning Commission for April 15 at 7:30 p.m.

The application was filed by Rev. David Harrington of Santa Maria Catholic Church for the archbishop of San Francisco, for a church, rectory, convent, school, (both grammar and high), auditorium, gymnasium, playgrounds and other related facilities. The school is to be located just northeast of the Orinda Union School District property on Orinda Highway. It is directly behind the Orinda Grammar School.

The church recently purchased the 14.77-acre parcel from the East Bay Municipal Utility District, for $45,000.

The application by the church is to modify certain provisions of Ordinance 382.

The hearing is to be held in Room 210, Hall of Records, in Martinez.

Legal notice of the hearing was published in last week's Orinda Sun but is being republished in this issue, with additional description of the property. The Planning Commission explained that this republication is for the purpose of furnishing better description of the parcel.

Mrs. White and Children Missing

A search was under way this week by law enforcement officers for Mrs. Dorothy White of 1 Las Vegas Way and her two children, Cynthia, 8, and Lee, 5, on a bench warrant issued Monday by Superior Judge Hugh H. Donovan for contempt of court.

Mrs. White failed to appear in court Monday to show cause why she should not be found in contempt. Judge Donovan fixed bail at $500.

Mrs. White and the children were missing since Sunday evening, when she was scheduled, under a court order made last week, to return the children to the Oakland home of their paternal grandmother and father, C. Wadsworth White.

White was given custody of the children last week.

No Vacation for Absurdia Cast! Show Must Go On

The show must go on! And Karen and Susan and a host of youngsters have been sitting on the sidelines this week while their mothers rehearse their dances at Orinda School for th third annual production of Orinda Mothers Club "Absurdia in Suburbia," to be shown at Acalanes High School the nights of May 2 and 3.

Despite Easter vacation for school children of Orinda and the lack of rehearsal rooms while the school itself is being polished, rehearsals for all the hundreds in the cast were being held this week, according to Jean Downs, general chairman of "Absurdia in Suburbia."

Ed O'Brien, director of the Dramateurs, is directing all of the skits for Orinda Mothers Club. Assisting him with writing and ideas have been Harry Olyer, Jim Read, Fred Udall, Charles Gibbs and Jim Davisson.

The men's chorus has been rehearsing under the direction of John Ogden, with Maurice Anger writing arrangements for all the songs.

Marion Brown, director of the women's chorus, is pleading for more women singers who can carry a tune. Any mother interested is urged to contact her for rehearsal time. Sally O'Connor is serving as accompanist for the group.

Men and women dancers have been rehearsing for weeks under the leadership of Arlene Coburn and Wendy Gilmore. They've limbered up a close approximation of a Roxie chorus already.

Crippled Kids' Fund Campaign Ends on Sunday

This is the last week of the 1952 Easter Seal campaign, the Crippled Children's Society of Contra Costa County reminds county residents who have not yet mailed their contributions.

Mrs. Axtell, drive chairman, pointed out that the campaign closes on Sunday.

On the basis of campaign contributions to date, Mrs. Axtell said, the Crippled Children's Society will be able to continue its work for handicapped youngsters. But, as the case load mounts and as the cost of service rises, there is need for more and more funds. The society, she added, needs the last-minute contribution as much as it needed the first dollars contributed when the drive opened a month ago.

'Forest Prince' Operetta Next Friday Evening

Set to the music of Peter Tschaikowski, the Acalanes High School operetta "The Forest Prince" will go through final rehearsal paces early next week under direction of Don music instructor Richard Hansen, in preparation for the evening showing in the Acalanes gym next Friday, April 18.

More than 100 students in the school chorus, band and modern dance groups will participate in the show, the first operetta of its kind to be presented by Acalanes High.

With the music of the famous Russian composer as its backdrop, "The Forest Prince" tells a story of royalty, adventure and cossack and Tartar wars in pre-Czarist Russia.

Lois La Bonte will play the feminine lead, while Gary Shallenberger and Nick Snel portray the leading male roles. A cast of 63 featured and supporting voices will join the leads in unfolding the story to a quick tempo musical score.

Millicent Hamburger, dance instructor, is in charge of choreography.

Tickets—adults, 75 cents; students, 50 cents—will be on sale at the high school next week and at the door the evening of the performance.

Carr Discusses Foreign Policy Of United States

Some 30 guests gathered at the Orinda home of the Richard A. Fayrams last Friday evening to hear Luther Carr, prominent Burlingame attorney, discuss "A Positive Foreign Policy for the U. S."

Carr, speaking under the auspices of the Acalanes Chapter of the United World Federalists, stressed that more effective international control of aggression is needed and urged support of a program to strengthen the U.N. into a limited federal world government with adequate powers to enforce the peace. He said that the U. S. must take the leadership in this direction.

Open discussion followed the talk.

Carr, a member of the United World Federalist State Council and of that organiation's speakers bureau, has been prominent in Republican activities for many years.

Dessert and coffee were served beforehand by Mrs. Fayram. She was assisted by Mesdames Richard Farmer, Hal Arnot and Robert James.

Among those attending were Messrs and Mesdames Jeff Arnette, C. E. Cantrill, Robert James, Robert Dashiell, Ernest Starkman, E. H. Williams, Warren Yager and Ramsey Underwood; Dr. and Mrs. O. I. Losey, Dr. and Mrs. Donald Light, Capt. and Mrs. H. W. Pillsbury, Mrs. Ray Devin, Mrs. Robert Clack, Mrs. Joseph DeCosta and Herbert Dustin.

Junior Chamber Now Full-Fledged

With its national and state charters having been received, the Mt. Diablo Junior Chamber of Commerce was a full-fledged organization this week.

Impressive charter presentation and officers' installation ceremonies were held March 31 at a dinner gathering at El Nido restaurant in Lafayette.

King Parker, a national director of the United States Junior Chamber of Commerce, presented the national charter, and Vice-President William E. Hancock of the California State Junior Chamber of Commerce presented the state charter.

President Dain J. Domich of the State Junior Chamber made the keynote address, and was enthusiastically applauded. He outlined the Jaycee program, stressing the community activities of members.

Hancock installed the officers of the Mt. Diablo Junior Chamber—Bill McKee, president; Juel Lein and Ed Macauley, vice-presidents; Dick Emory, secretary; Bill Hayes, treasurer; Len Hooper, Bill Palmer and Bob Waschmirth, directors.

Ted Taylor, state director from the Berkeley Junior Chamber, introduced the guests. The gavel and kit were presented by President John Price of the Berkeley organization.

Following the dinner and ceremonies, dancing was enjoyed by the 135 persons present.

HELPFUL HINTS

FROM MILTIE

If Junior or Junior's sister (or Junior's father for that matter) present a stubborn defense when Castor Oil or some other vile tasting stuff is in order, try this one. Have the unlucky patient hold an ice cube in his or her mouth for a few seconds, then swallow the medicine quick-like. The ice partially paralyzes the taster (temporarily) and by the time it's working again the deed is accomplished.

Having five kids at home who seem to hate the taste of everything but candy, ice cream and peanut butter, I think that the sweet thing who thought of this should be awarded the Noble Peace Prize. 'Nuff said.

Rally, $10 Plate Dinner April 29 For John Baldwin

Predicted by arrangers as "the largest political rally in the history of Contra Costa County," a $10 plate dinner will be held at the Diablo Country Club April 29, 7 p.m. for John F. Baldwin Jr., congressional candidate in the new 6th District comprising Contra Costa and Solano counties.

This ambitious dinner project is the result of the grass-roots movement which selected Baldwin as its congressional candidate at a meeting at Acalanes High School recently. Arrangements and ticket sales will be handled by James R. Moore of Lafayette and Wayne Haas of Walnut Creek, according to Lindsey Spight of Orinda, general chairman of the Baldwin campaign.

The rally, although nominally Republican, will actually be nonpartisan, with many of Baldwin's Democratic sponsors in attendance, according to Spight. A Dixieland band has been scheduled along with other top professional talent to spark the evening's program.

The only serious speech of the evening will be Baldwin's outline and summary of the basic issues of the campaign.

Tickets may be obtained locally as follows:

Orinda — Ritchie Smith, Ken Morrish, Mrs. Melvin Jacobus, John Stoffel.

Lafayette — James R. Moore, Mrs. E. C. Scofield, Ford Tussing, John Manners.

Walnut Creek — Wayne Haas, Mr. and Mrs. Harmon Howard and Diablo Drug Company, 1374 Main Street.

Girls Ask Fellas To Western Dance

In honor of leap year, and with a western theme as a backdrop, gingham and dungaree clad Acalanes Dons and Donnas took a whirl last Friday evening at the first April school social.

Keeping with the leap year motif, the girls pulled a turnabout and asked the fellas. The dance was sponsored by the student rally committee headed by Cheer Leader Ben Randall .

Each evening activity will be preceded by a "medicine show" conducted by "Dr. Cure-All." The entire course is designed around dramatizations and demonstrataions.

The Cub Scout section will include dramatizataions and demonstrations of the subjects of "Cub achievements," "The Den Meeting Place," "Den Mother and Den Chief Relationships," "The Den Meeting," "The Pack Meeting," "Pack Administration" and "Cub Handicrafts."

There is no charge for the course. Anyone interested in Boy Scout or Cub Scout leadership is invited to attend, according to Gordon Hawkins, district scout executive.

The chapter will arrange for buses to bring them over about 2 p.m., and will pick them up at about 8:30 p.m.

For information, call the chapter house, W. C. 5817; Mrs. Donn Court, Lafayette 2762; Mrs. Karl Fitch, Orinda 8201, or Mrs. S. H. McAllister, Lafayette 4630.

Easter Egg Hunt For Kids Sunday

Diablo Demos Set Endorsement Meet

Senator Estes Kefauver, State Senator George Miller Jr. and Assemblyman Robert L. Condon will be names figuring prominently at the Diablo Democrats' endorsement meeting at Mt. Diablo High School in Concord at 8 p. m. April 23, according to Ray Johnson, Diablo Democrat president.

"Following March 28's enthusiastic County Candidates Night, the Diablo Democrats will endorse one Democratic candidate for the June 3 primary for President of the United States, United States Senator, Congressman in the new 6th Congressional District, Contra Costa County State Senator and the new 10th Assembly District," Johnson stated.

All Democratic voters interested in pressing for the endorsement of their choices for these offices are urged to attend, although only paid-up members of the Diablo Democratic organiation will be allowed to vote on the candidates, Johnson said.

Other business scheduled will include the reports of area supervisors and precinct captains, as well as assignment of telephone, babysitting, taxi and mailing committees for work through the primaries.

Two Easter Rites At Orinda Theater

The eighth annual Easter Sunday service to be conducted by the Orinda Community Church in the Orinda Theater will be held in duplicate at 9:30 and 11 o'clock.

At both of these services Rev. Fred R .Morrow will conduct the worship and preach on the theme, "Life—Anchored at Both Ends."

It will be "double session" also for the Chapel Choir, directed by Margaret Popovich, and for the instrumental ensembles under the leadership of organist Daniel Popovich.

Marian Nelson is arranging the festive altar, which will be decked with memorial Easter lilies. Ushering is in charge of John Laird.

AT THE CONSOLE of the Hammond organ, Popovich will play choral and hymn accompaniments, closing the service with Handel's "Halleluia Chorus" from "The Messiah." Preparatory music is a composition of his own, "Sarabande," arranged for woodwind quartet. An organ-string trio will play the offertory, Bizet's "Agnus Dei." Participating in these sacred numbers are Lois Flenner, violinist; Laura Hudd, 'cellist; Bernice Bromley, flutist; Dr. Arnold Chapman, clarinetist; Lois Dempster, oboist, and Leo Fast, bassoonist.

As a special feature of the 9:30 hour, Mrs. Popovich will conduct the Junior Choir in a 17th Century Dutch carol, "Awake Thou Wintry Earth," and in abligato accompaniment to the Chapel Choir in Luvaas' "Christ Is Arisen."

Anthems to be sung by the adult choral group are "An Easter Symphony" by Rusch, the Luvaas composition and the Halleluia Chorus from Beethoven's "The Mount of Olives."

REGULAR ATTENDANTS at the Community Church services have been urged to attend at 9:30, to make room for the larger number who wish to be in the later service. Child care will be available at both hours at the church Children's Unit.

People from the entire area and Alameda County have been attending these theater services in increasing numbers, and all who have no ties with other churches are cordially invited, according to church leaders.

Nursery School Group Planning Gay Spring Party

Save Saturday evening, May 17, for a time-of-your-life party! The Orinda Nursery School Association is holding its annual spring informal dance that night. (Ask the person who has attended one for the best accounts of past performances.)

The Country Club will form the setting for the affair, and Gordon Heche of Orinda and his orchestra will supply the dancing music.

It is to be a dinner dance, and a warm, balmy evening is ordered. Everyone is invited. Tickets are to go on sale any day now, but if you want to reserve some in advance may do so by contacting Mrs. Sutliffe, dance chairman. Tickets are $5 or $10 a couple. Proceeds will go into the building fund for the new nursery school to be erected on the Moraga property in Orinda, which will serve Orinda and Lafayette families. Each member of the Orinda Nursery School Association is expected to sell at least $30 worth of tickets. A prize of free dance tickets will go to the member who sells the most.

Cocktail hour will start at 7. Dinner will be served from 8:30 to 10. Dancing will start at 9 and last until 1.

Another highlight of the evening will be the awarding of some very elegant prizes.

Assisting Mrs. Sutliffe's helpers are Mrs. Lyle York, dance-ticket chairman; Mrs. Robert Kleyn-Schoonhoven, prize chairman; Mrs. Joseph Dias, assistant prize chairman and Mrs. Miller, posters.

32 Easter Baskets—From Junior Women Easter-Egg Hunt Main Attraction

After many hours of work, the Junior Women for Weimar have completed the 32 Easter baskets needed to bring days of happiness to the children in the tuberculosis ward of Weimar Sanitorium.

Under the direction of their advisors, Mrs. W. Littlejohn and Mrs. George Klement, the young women, all students at Acalanes High School, designed and decorated the Easter baskets, which they are delivering this week to the sanitarium.

With this project completed, Rae Littlejohn, president of the group, has pledged a sum up to 25 per cent of the cost of the weekly film rental program now being paid for by the Women for Weimar.

At a joint meeting at the home of Mrs. George Vurek, Mrs. L. L. Farrar was elected chairman of the Women for Weimar, to replace Mrs. George Matey, who is moving from Orinda. Mrs. Zach Montgomery will be the new treasurer.

At this meeting, the Junior Women asked if they could assume the responsibility of sending a birthday gift to all of the teen-age girls at the sanitorium. Each month gifts will be selected by the girls and sent with a birthday card to the teenagers who will be having a birthday during the month.

In order to finance their projects, the Junior Women for Weimar are planning a dessert bridge at the home of Mrs. Evans Jeffreys, 835 Moraga Road, Lafayette, May 3, at 12:30 p.m.

New Meet Date For Dramateurs

About our happy Country Folks

GENTLEMEN AT A FASHION SHOW — we have always considered men to be delightful, captivating, charming and essential but definitely not worth a hoot at a fashion show. We were wrong.

We are talking, of course, about the Orinda Branch Joseph Magnin showing last week at Orinda Country Club, about which you have already read plenty in last week's paper, and we do not choose to be repetitious but we just have a feeling nobody told you about the men involved.

Gentleman number 1 was Cyril Magnin, affable and composed though entirely surrounded by 305 women — all envious. Why envious? Because not a one of them could produce at a moment's notice so many beautiful clothes as he can just any old time.

Gentleman number 2 — Emmett Kilpatrick, husband of the Branch chairman. He played the piano the day of practice for the models, and on the big day steered the spotlight.

Gentlemen 3 and 4 — Branch husbands Vad Jelton and Robert Jurs, who had a crew of car parkers on hand so the ladies would not have to climb up from the swimming pool, where many of the cars were parked.

Gentlemen numbers 6, 7, 8 and 9 with Pepe Landeros' Continentals, courtesy of Milt Nelson of the Willows, who played so gaily that the models fairly skimmed around the course looking for all the world like they were about to break out in a little rug cutting or whatever the current term for that sort of thing may be.

And Freddie Lamb, who made the cunning paper camellias for the table decorations — 100 of them — however, Freddie is NO gentleman — her name is Frederica — 10-year-old daughter of the Woodburn Lambs.

We were able to get our mind off the men just long enough to glimpse, out of the corner of an eye, Mrs. Sheldon Allen in grey and white, Mrs. Tom Booth in beige with straw hat, Mrs. King Wilkin in navy with colorful flowers on her hat, Mrs. Arthur Somers in navy and Mrs. Herbert Atkinson with gay flowered cap.

Also, Mrs. David Wallace in honey colored shantung, Mrs. Fred Federeghi in navy and white, Mrs. Walter Boysen in red printed silk suit, Mrs. Edward Pike in navy blue, Mrs. Edward Maloney with a whopping straw hat, Mrs. Clifford Johnson in gray and white, Mrs. P. D. Richardson with a red flowered hat and Mrs. J. M. Rodwell in pretty white hat.

INTERESTING MEETING at Orinda Country Club last week. Mr. and Mrs. R. F. Hopkins, chairmen of the dance committee, and A. V. Scollard, vice-president of the club, assembled a group to discuss plans for forthcoming parties.

The plans were certainly forthcoming and will produce some peppy parties for the future.

The group automatically became a standing committee to sit down on the first Wednesday of every month for luncheon and to assemble ideas which will be fun to write about from now on.

A FEW noticed at Laurel Branch's fashion show Mrs. Herbert Hatch (general chairman of the day), Mrs. J. J. Coney (ticket chairman, Mrs. Frederick Bruns (decorations), Mrs. Roy Legg (in charge of the wonderful perfume that Laurel Branch makes and sells so successfully), Mrs. Bertram Booth and Mrs. Phyllis Simon(in charge of the most elegantish hand-decorated tea towels you ever saw — for sale, too), Mrs. George Dickey (branch chairman), and Mrs. Chester Pugh and Mrs. Charles Sweet (in charge of plans for the prize trip to Highlands Inn and/or Rancho Del Monte Country Club at Carmel for a weekend).

Others on hand: A table from Hill Junior Branch, Mrs. Harry Bruno, Mrs. Robert Agnew, Mrs. Howard Inman and Mrs. Peter Hurst. From Redwood Branch, Mesdames Lowell Trautman, John Rosefield, Doan Metz and Jack Watson.

Laurel Branch members Mrs. Earl Rutherford entertained Mesdames Warde Sorrick, Henry Gentry, Francis Bottomley, Dan Sheldon, W. D. Wylie, Kendric Morrish, Thornton Grimes and Arthur Pederson.

After the refreshments served by the hostesses, Mrs. E. J. Fowler, Mrs. Charles Pimentel and Mrs. George Penfield, the group heard Dr. William Poole of Berkeley speak on Argentina, where he has traveled extensively and has done educational missionary work.

Dr. Poole stated that of the 130 million population of Latin America, 70 per cent were illiterate, 40 per cent illegitimate, almost all suffered from malnutrition, and life expectancy was only 46 years.

The low level of living will in time, he said, be raised by cooperative enterprises in developing the oil, tin and iron resources. Tuberculoss and leprosy are being combated by welfare workers, who teach best by their own example of sanitary living.

South America isn't altogether backward in education historically, Dr. Poole said, for they had a university 100 years before the Pilgrims came to America. The first normal school in the Americas was organized by Horace Mann in Boston and the second was established in Buenos Aires about 1876.

THERE'S A NEW champ in the area. Tahquitz Solita, a Springer Spaniel from the Waiterock Ranch, earned winning points at the recent Seattle show and at the Bremerton show recently, sufficient to finish her championship, subject to AKC approval.

Shortly after receiving this happy news, owner Juanita Waite learned that her Solita had won more Best of Breeds in 1951 than any other Springer Spaniel bitch in the United States, and will be the recipient of a trophy awarded by the English Springer Spaniel Association of Central California.

Young Firebow, snug in his kennel at Waiterock, can look forward to glorious days. He's the son of a new champion and of Champion Strongbow, so his climb to the top of the heap, soon to begin, should be duck soup.

A NEW SERIES of obedience classes under Milo Hanson's instruction started March 27 at the Walnut Festival Recreation Center. There was a full class of 25, plus some members of the previous course who plan to attend for further instruction and practice.

It's good to see a Weimaraner in the class. John and Lorette McClurg are owners of this dog, one of a closely guarded breed, often called "grey ghost" dogs.

These dogs are lauded for their work in obedience, in hunting, for their adaptability to the home—well, for just about every good trait ever wished for in a dog.

Paul Fix, with his brace of Weimaraners which he exhibits with success at bench shows, is another enthusiast of this breed.

Pillsburys at Home

Lieutenant Pillsbury is the son of Navy Captain and Mrs. H. Watts Pillsbury of 72 Camino Don Miguel, Orinda. He is stationed at Treasure Island.

Wanted: Cakes, Pies, Money! . . .

Officers of the Acalanes Parents Club are still accepting offers of cakes and pies to be sold at the annual scholarship fund raising pie and cake sale by Acalanes parents April 19.

Parents who do not wish to give pastry may donate cash, according to Mrs. Jack Jansse, chairman of the general cake and pie sale committee.

The cakes and pies will be sold in stores in the three communities served by Acalanes High School. Phone committees for soliciting donations have been organized in each community.

Acalanes Parents Club officers ask all Acalanes parents support in this year's drive to secure enough funds for several 1952 graduating senior scholarships.

Parents who wish to donate pastry or money and have not yet been asked to do so by phone may notify the cake sale committee of their donations by calling Orinda 2575.

Unit Members at Civil Air Patrol Regional Confab

Several members of the Mt. Diablo Unit of the Civil Air Patrol attended the C. A. P. western regional conference at the Hotel Whitcomb in San Francisco last weekend.

Among the 250 at the Saturday and Sunday sessions were Lieutenant Arnold Bjork of Concord, commanding officer of the Mt. Diablo Unit; Lieutenant Roland Bjork of Concord, Lieutenant William East of Pleasant Hill, Warrant Officer Coral Bloom of Pleasant Hill and Dr. Joseph H. Lorber of Lafayette, the unit's acting public information officer.

Topics discussed included coordination of C. A. P. activity with the Air Force and civil defense in emergencies, radio communications during disaster and procedures in such periods.

Interested administrative personnel from the western states and Hawaii attended the conference. Air Force officers were among those who addressed the sessions.

Decorating Film To Be Seen Here

A film on "The ABC's of Interior Decorating" will be shown at the meeting of the Walnut Creek Branch American Association of University Women at 8 p.m. Tuesday in the Parish Hall of St. Paul's Episcopal Church on Walnut Avenue.

Mrs. T. W. Marston, program chairman, said the film will be shown by Dale Fairweather of Breuner's Home Planning and Decorating Clinic.

Also scheduled to speak is Alvin Burton of Walnut Creek, president of Contra Costa Park and Recreation Council. AAUW members Mrs. Francis Clune is secretary of the council.

Before the program the unit will hold an election of officers for 1952-53.

LETTERS TO THE EDITOR

Editor:

We believe in the Red Cross and have always donated to the annual budget but we are amazed, at doing a little simple arithmetic problem, to note that of the $23,000 spent last year by the Walnut Creek chapter, just about $2500 went for aid and relief, the rest to salaries, maintainance, and building.

Isn't that the same sort of expenditure that has somewhat undermined our confidence in the March of Dimes campaigning? How is it that an organization like the Tuberculosis Association can keep their overhead to 5 per cent, thereby assuring the contributors that their contributions effect the maximum of good?

This is not to criticize the wonderful work the Red Cross does and can do, but to wonder if our own local functions efficiently. We do know of the terrific amount of volunteer work done in our own neighborhood and certainly appreciate their untiring efforts.

G. M. INMAN-KANE,
1224 Upper Valley Road,
Lafayette

Editor:

This letter is written to express our appreciation of the editorial on the Acalanes school bond election appearing in your issue of March 21.

Our Board of Trustees and I feel that your editorial support of our district's bond proposal, as well as your excellent general school news coverage, added weight to the "yes" side of the question.

Sincerely yours,
NEIL M. PARSONS,
District Superintendent,

Summer Activity To Be Discussed At PTA Meeting

"Summer Recreation" will be the program theme for the meeting of the Mt. Diablo Council PTA at 12:30 p. m. Monday at the Veterans' Memorial Biulding, corner of Colfax and Willow Pass Road.

PTA units of Ygnacio Valley-Oak Grove and Clayton Valley schools will act as hosts for the day and will serve refreshments.

Mrs. Elliott Mauzy, president, urges all schools to send delegates to the meeting, as instructions will be given regarding the Convention of California Congress of Parents and Teachers to be held Wednesday, Thursday and Friday in San Francisco.

Mrs. Leslie Lopez, chairman of health and safety, announced that moderator for the panel discussion on "Summer Recreation" will be Ralph Harris, director of recreation for county schools.

Recreation leaders who will take part are Elmer Nelson, San Ramon; Jessie Scofield, Concord; Everet Gale, Pleasant Hill, and Gene Saalwaechter, Walnut Creek.

'The Consul' to Run At Curran for Week

Cian-Carlo Menotti's musical drama, "The Consul," is being brought to the Curran Theater, San Francisco, for one week, beginning Monday, by Paul Posz.

Staged by Carl Ebert, "The Consul" tells of a woman in a totalitarian country who tries to rejoin her husband, who has been forced to flee to a free country.

"The Consul" won the Pulitzer Prize for the finest musical and the New York Drama Critics' Circle Award for the best drama of the 1950-51 Broadway season.

Performances are nightly at 8:30, with matinees Wednesday and Saturday.

Improved Camp This Summer for Area Girl Scouts

Due to the generosity of Ted Harrer, owner of the Pacific Atlas Engineers basketball team, the established summer camp for Diablo Valley Area Girl Scouts at Sierra Woodland will have many improvements this summer to meet with state requirements.

A benefit basketball game was held between the Atlas Engineers and the Berkeley Ensor A. C. team recently at Acalanes gymnasium. Thanks to many district chairmen and their workers, it was a tremendous financial success as well as an evening filled with thrills.

Harrer turned over the entire proceeds to the Diablo Council for the maintenance of the camp.

In spite of increased costs, the sessions will still be $41 for each girl scout. This amount covers transportation and insurance and includes two full weeks in the beautiful Sierras.

Dates of the sessions have been definitely set as follows: July 10 to July 23, July 25 to August 7, and August 8 to August 21.

The weekend of June 21 has been tentatively set by Mrs. Robert Evans, chairman of established camp, to prepare the camp for its opening. Anyone interested in helping with this venture should contact Mrs. Evans at Lafayette 4629.

Christian Science Sermon on Sin, Disease, Death

"Are Sin, Disease, and Death Real?" This question, which will constitute the subject of the Lesson-Sermon in all Christian Science churches on Sunday, April 13, will be answered by citations comprising the sermon, taken from the Bible and the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. These verses will be read from Psalms:

"I will extol thee, O Lord; for thou hast lifted me up; and hast not made my foes to rejoice over me.

Bless the Lord, O my soul, and forget not all his benefits:

Who forgiveth all thine iniquities; who healeth all thy diseases" (30:1, 103:2, 3).

The correlative passages from Science and Health will include the following:

"Disease has no intelligence. Unwittingly you sentence yourself to suffer. The understanding of this will enable you to commute this self-sentence, and meet every circumstance with truth" (p. 378).

Girl Scouts and Brownies to Get Camp Information

Mrs. Penny Glidden, camp co-ordinating chairman of the Diablo Valley Area Girl Scout Council, announced that camp folders will be mailed this week to the 1752 registered Brownie, Intermediate and Senior Girl Scouts in the Council.

Mrs. R. Evans, chairman of the established camp at Sierra Woodland, said that the camp is licensed by the State Social Welfare Department this year and every effort is being made for the welfare of girls attending the camp.

Mrs. M. Jucksch, day camp chairman, an her committee are planning to take the girls to Upper Mitchell Canyon this year.

SINCE THE BEGINNING of Girl Scouting 40 years ago, camping has been synonymous with Girl Scouting. The first Girl Scout troop, organized March 12, 1912, in Savannah, Ga., went troop camping with their leader, Juliette Low, founder of Girl Scouting. Four years later, in 1916, the first established camp came into being which is still operated by Springfield, Mass., Girl Scouts.

Day camping began in 1921, and the next year Mrs. Low secured the property on Lookout Mountain in Georgia for the permanent camp named in her honor.

To provide Girl Scouts of the Diablo Valley Area with the out-of-door experience which is one of 11 program fields, the council rented for its first summer camp in 1946, Camp Far-Away Mine at Alta, at which time 67 girls attended.

THE GROWTH OF the Council necessitated the finding of more stable camp facilities, and the 14-acre camp Sierra Woodland was obtained. Facilities this year will provide for 80 girls per session, with camp open for three sessions.

To provide for Brownies, Fly-Up Scouts and Intermediates who cannot go for a full two-week camping trip, the day camp committee has the Upper Mitchell Canyon and will be able to offer the girls swimming in addition to their regular outdoor program.

Registration information will be included in the folders which each girl will receive.

Acalanes Teams Head for Many Sporting Crowns

The Acalanes Dons have an all-around spring sports program which is probably more extensive than any in the Bay Area.

On the basis of returns to date, the Dons stand to be in the championship class in more than one event.

The Varsity track boasts a splendid record and is top-heavy favorite to cop the county meet, while the Bee track team figures to end up in the top three.

SWIMMING has but to enter the meet to win the Varsity and Bee titles, while tennis and golf appear to be well on their way to county titles.

Baseball is currently leading the county with three wins as against no losses, and appears to have an even chance for crown honors.

THE JUNIOR VARSITY nine is not in a league but seems to be one of the best in Acalanes' history, as confirmed by its recent 18-1 win over Piedmont High's Varsity and its no-hit, no-run encounter with Emeryville's J.V.

World Affairs Talk Tuesday to USNR Unit

A representative of the New Zealand consul general will discuss world affairs at Tuesday night's meeting of U. S. Naval Reserve Volunteer Composite Unit 12-25 in Room 210 of Acalanes High School. The meeting will start at 7:30.

The talk will be illustrated by a movie. U.S.N.R. Lieutenant Jack LaRue of Walnut Creek will conduct the meeting.

Dons Come from Behind to Beat Pittsburg, 5-3

The Acalanes baseball nine made it league win number 3 when they came from behind to register a 5-3 win over Pittsburg at the Steel City's Municipal Park last Friday afternoon.

The win kept the Dons in the undefeated class in league play. In addition, it assured the Dons of the league lead, with Mt. Diablo in hot pursuit, with two wins as against no losses, having drawn a bye in play last week.

BOB BORGHESANI hurled an effective game and had the Pittsburg batters baffled with his southpaw slants, which sent nine back to the bench via the strikeout route, while giving up six scattered hits over the seven innings.

The Dons' big trouble came in the opening frame, when Pitt garnered two runs on no hits.

Borghesani whiffed Ray Glasper, the leadoff man, on a 3-2 count, only to walk Bill Nicolesi, the next man up.

Henry Redman was next in line and he went down swinging on a third strike for out number 2.

ALL SEEMED well until Doug Killingsworth was on, when he hit an easy roller in front of the plate, only to have Don Catcher Andy Monsen throw wide and late to first.

Sam Dawson was next at bat and drew a base on balls, which loaded the bags.

A run was scored when Al Trapps drew a free pass, forcing Nicolosi across the plate.

RUN NUMBER 2 came in when Al Abono was hit by a pitched ball, and the inning ended when Bob Babucz grounded out, pitcher to first.

Pittsburg's third and final tally came in the second inning, when Pitcher Ben Camera singled, stole second and came home on Nicolosi's single.

THE SCORE STOOD 3-0 at this point and that's the way it was until the top half of the fourth, when the Dons put together four hits along with two hit batters and a walk, to score five runs.

Dick Davis of the Dons led off with a driving single to left field, and Kay Dana drew a base on balls, with Andy Monsen loading the bags on a single over second base.

Richard Ting hit a line drive for a safety to right field, which scored Davis and Dana standing up, with Monsen ending up on third base.

BOB DWIGHT was hit by a pitched ball, and that loaded the bases, with Monsen trotting home when Pitcher Camera hit John Bowron.

Jerry Macauley had a 1 and 2 count when he found a pitch to his liking and hit a sharp grounder between third and short to score Dwight and Ting.

The inning ended when Dick Fey and Bob Borghesani grounded out.

PITTSBURG MADE a bid for a win in the bottom half of the seventh after Borghesani struck out the first two batters only to walk Killingsworth.

Vince Di Mecurio was next with the bat and hit a single through second when Dick Fey went over to cover the bag on a steal by Killingsworth.

Fey came back to get the ball and threw to First Baseman Richard Ting, but too late to get the runner.

The Pitt fans and players felt a rally coming on and gave full vent to their feelings, only to have it all cut short when, seconds later, Ting tagged Di Mecurio out on a hidden ball trick which fooled everyone, and the old ball game was over with the Dons out in front, 5-3.

The box score showed the Dons with five runs, 10 hits and one error, while Pittsburg had three runs, six hits and no errors.

90-48 Don Win Defeats Alameda, Shatters Records

The Acalanes track team had themselves a field day April 3 when they coasted to a 90-48 win over the Alameda Hornets on the local oval in a record-breaking event that saw marks go by the boards.

Gary Coad set a new meet mark when he ran the high hurdles in :15.6. He also came home in the 180-yard low hurdles with a fast :26.8.

Herbie Turners, Alameda's sprinter of national feme, came through as a double winner with :09.9 in the 100 and a quick :21.5 in the 220, both of which established new stadium records. The 220 time was the best registered in Northern California to date.

DENTON HOLMES, Acalanes' 880 man raced to a 2:06.2 win which tied the meet mark. Alameda's Hosea Harper did likewise when he broke the tape to stop the clocks at :53.2 in the 440.

Another record was smashed when Parnell Thrower of Alameda raced to an early first quarter lead, never to be headed, as he toured the mile in the fast time of 4:45.6.

IN THE FIELD events, another mark went by the boards when Acalanes' ace Neil Caldwell soared over the pole vault bar at 12 feet, five and a half inches for a new meet and stadium record, as well as for the best mark in Northern California to date.

The Dons cause was helped no end when they scored a clean sweep in the shot put, where Eric Murray led the way with a 49 feet, three and a half inches heave, followed by Ray Williamson, Ed Greub and Bill Hart in that order.

ANOTHER CLEAN sweep was made in the high jump, with Bill Powers leaping five feet, nine inches, while Bruce Morgan held the number 2 spot with five feet, six inches, and Dick Twomey hit five feet, four inches, with Pat Gates and Ray Foskett tying for fourth at five feet, two inches.

Alameda's relay quartet, paced by Herbie Turner's flashing last lap, ran a brilliant 1:31.6 for a win and with it another stadium mark.

Eric Murray of the Dons copped his second win of the day when he heaved the discus for 130 feet, four inches, which, while not a stadium record, was the county's best to date.

Albany scored two points in the Varsity meet but had 34 in the lightweight events, which Alameda copped with a grand total of 67, while the Dons were in second with 36 and Las Lomas trailed with 4.

Young Horsemen Planning Trail Ride

A junior horsemen's trail ride to Mt. Diablo sometime in July was planned by parents of officers of the El Caballa Valente Club.

Mr. and Mrs. Dave Kruchel are in charge of arrangements for the outing.

Club officers include Bob Samon of Orinda, president, Artie Swobe of Oakland, vice-president, Sally Menges, secretary, and Karl Schroen, treasurer.

Several Contra Costa Trackmen Will Probably Be in Big State Track Meet

ON THE BASIS of performances to date, it appears that Contra Costa County will have several participants in the State Track Meet, and it could be that some will end up in the winners' circle.

Acalanes has a top performer in Neil Caldwell, who appears to be capable of hitting 13 feet in the pole vault.

Neil has cleared 12 feet several times in practice and has done 12 feet or better three times in meets, with a tops of 12 feet, 5 inches.

His mark is the second best in the state, with a Southern lad having the number 1 rating with 12 feet 6 inches.

Paul Egbert of Diablo has a good all-around record, with good records in the discus, broad jump and sprints. His best chance probably lies in the broad jump, where he lands not too far from the 22-foot mark.

Jimmy Briggs of Pittsburg definitely ranks as one of the states top half-milers and is capable of winning the event.

Southern California has dominated the State Track Meet for a good number of years, and to place, not to mention win, has almost become a moral victory for the North.

Climate, facilities and added emphasis have all contributed to the South's success. It would be nice to have several Contra Costa boys show to advantage in the State Meet.

HITTING IN BASEBALL requires practice, but primarily a good eye and good coordination. The fact remains that the greatest coaches haven't been very successful in developing hitters, natural ability, and desire and mental balance, are the prerequisites of good hitting.

A good hitter has confidence and poise at the plate. Too many tie themselves up mentally.

Too many are waiting for a walk instead of going for a hit by rapping the first ball in range of the bat.

Dons Resume Spring Sports Play Next Week

Spring sport activities have been at a standstill this week due to Easter vacation, with all team practice stopped because of a league ruling that no activities shall be engaged in during vacation periods.

Everyone gets back into the swing of things next week with all teams going into action and driving down the home stretch. At stake are the coveted championships.

THE TENNIS TEAM plays next Friday, April 18, with Albany furnishing the opposition on the local courts.

On the basis of Acalanes' record to date, it should be a Don win.

BASEBALL STARTS the week off with the Varsity and Junior Varsity nines traveling to Oakland, where they will cross bats with Castlemont High on Tuesday in practice tilts.

Little is known of the opposition except that on the basis of past performance the opposition will be good.

The Dons appear to have found themselves and could wrap up a double win.

Next Friday the Don Varsity tangles with Albany on the Acalanes diamond in an all-important league game.

Albany rapped John Swett 11-1 in their last outing, while the Dons bagged a 5-3 win over the Pittsburg Pirates, so the game seems to be pretty much of a toss-up.

THE DON SWIMMERS tackle a toughie when they meet up with powerful Berkeley High in the Berkeley pool next Thursday, with the Don Bees favorites to retain their unbeaten record, while the Varsity rates a toss-up.

The track squads travel to Diablo High next Thursday for their first away-from-home dual meet of the season.

While Coach Bob Lord's Bees are slight underdogs, the Don Varsity cindermen, under Coach Charles Eaton, are top-heavy favorites to show their heels to the Diablo Devils.
